ZERO COST LEASE PROGRAM

The MTC Zero Cost Lease Program provides many benefits to an organization looking to boost its cash flow.

BENEFITS

Easier Budgeting

Your only expense for your leased printer will be for toner cartridges and other consumables and maintenance kits. The printer is given to you at no cost!

Keep up with your competition

If you are a small company and need to upgrade your printers but cannot afford the spending right now, leasing is a great way to get the technology you need and stay in the game with your competition.

Possible Tax Benefits

When you lease you may be eligible to receive tax benefits.

No Labor Cost for Printer Repairs

If the leased printer needs cleaning, repair or even to be replaced, it will not cost you a penny. This one will be on us!
