Proceeds from this Golf Event will benefit the

Child Life Department at Children's Mercy Hospitals and Clinics

The **Child Life Department** at Children's Mercy Hospitals and Clinics promotes a positive environment for patients and families, based upon their needs. This is accomplished by providing materials and guidance for developmentally appropriate play, preparing children for medical experiences, advocating for patient and family rights, and promoting a non-threatening, normalized environment. Child Life specialists provide services to meet the psychosocial and developmental needs of children and their families, Child Life specialists strive to reduce the stress and anxiety accompanying hospitalization and other aspects of health care.
